

DIRECTIONS AND PARKING

PARKING OPTIONS

1. End of the day appointments - If your appointment is after banking hours (which may mean, after 4 pm, depending upon the bank) -- find a parking lot for a BANK, because you can park free. The closest bank lot would be Webster Bank (enter lot on Elm Street), Wachovia Bank after 5 p.m. (also on Elm Street), or Citizens or Bank of Southern New England (further down Church Street, past Elm).
2. Parking on the street.
3. Parking garages, particularly, Express Parking on Orange Street between Chapel and Connecticut Financial Center.

ORANGE EXPRESS PARKING, 96 Orange Street between Chapel and Center Street, New Haven, CT 06510. (203) 787-6506. The valet parking is in what used to be the old Grant department store, entrance on Orange Street. There is also parking in the lot behind the "store" -- you pass the entrance, turn right on Center Street, and you will see a chain-link fence and booth for above-ground parking. When exiting the garage, walk towards Chapel Street, turn left on Chapel and right on Church. When exiting the back lot, go out the entrance that is right on Chapel Street, turn left, right on Church. We are half-way down the block (look for 3 green awnings). NOTE: if lot is full, keep going, take a right on Church, right on Elm for Connecticut Financial Center lot (unless you find someplace better!)

CONNECTICUT FINANCIAL CENTER - this is a covered lot and you will have a short walk through the garage. Upon entering, take first right into Lane 2. After parking, take the elevator to "B" and follow the signs to the NewAlliance Bank. Take next set of elevators to the Lobby. You will emerge onto the corner of Church and Elm. Turn left in front of City Hall until you reach the 3 green awnings at 129 Church Street. There may be an exit that is closer to 129 Church Street.
